**"SOME LIKE IT HOT"**

**Everyone welcome. Allies welcome.**

► **SOME LIKE IT HOT:** is the classic cinematic cross-dressing film starring Marilyn Monroe. Two penniless musicians, Joe (Tony Curtis) and Jerry (Jack Lemmon) in Chicago in the prohibition era, accidentally witness a mob killing. The gangsters want to eliminate witnesses so the heroes have to get a disguise, and get out of town. The only way is to take up jobs as musicians in an all-girl band - giving rise to their new identities of "Daphne" and "Josephine". Hilarious complications ensue . . .

Yes, that's right, the Trans Film Screening Series is showing "Some Like It Hot". Let's revisit this film to see what it has to say about gender. Or, just come have fun. Let's explore how the film speaks to poverty, kink, notions of play, disguise versus transformation, problems of sexual difference, subversion, parody, censorship, stereotypes, white appropriation of jazz music and the entire history of cross-dressing on screen. Or, just come have fun. Come dressed in your best "Marilyn". Or, just come have fun. In the heat of August we offer a social, low-pressure and casual evening.
